Subject: Re: Marketing Agency Software Compatibility

Dear Josh,

Thank you for reaching out to us regarding your query about software compatibility for your marketing agency. We're happy to assist you.

Our software is designed to be compatible with various marketing tools and platforms. We've identified a few options that can integrate seamlessly with your existing workflows:

- API Integration: Our software provides API documentation for seamless integration with popular marketing platforms.
  - Plugin/Extension: We offer plugins/extensions for popular marketing software, ensuring streamlined workflows.
- To get started, please:

1. Review our API documentation or plugin/extension options.
2. Contact our support team for guidance on integration.
3. Schedule a demo to test compatibility.

If you have any further questions or concerns, please don't hesitate to reach out. Our team is here to ensure a smooth integration process.

Best regards,

Aleeza Tabassum
